Die Auswahl an Layoutvarianten ist wirklich grandios. Von der klassischen 3-Kabinen- bis hin zur 5-Kabinen-Variante ist alles möglich. Plus sogar eine zusätzliche Skipper-Kabine im Bug. Kompromisse? Kennt diese Yacht nicht.

THRILLING VARIETY.

There really are an enormous number of layouts to choose from. From classic three-cabin to five-cabin version, everything is possible – and you can even have an additional skipper's cabin in the bow. Compromises? Not with this yacht.
